

Bridgers – Playground

Date

Sun, 01/23/2022 - 12:30

Activity

Skiing

While skiing the playground, a northeast aspect off the Bridgers, my friends and I released a wind slab. The slab released on a rollover and was approximately 20 ft wide and 6-12" deep at the top. The slide carried my friend about 150 ft.

Region

Bridger Range

Location (from list)

Playground

Observer Name

Sarah Kissell
