

Natural Avalanche, Sunlight Basin

Sunlight Basin

Southern Madison

12/7/2022

Code

SS-N-R1-D1

Latitude

44.97310

Longitude

-111.31000

Notes

We saw an R1-D1 across the bowl of Sunlight Basin that looked recent after digging a pit near the weather station. While sledding around the area, we noticed faceting snow at the bottom of the snowpack in multiple locations.
