

Natural avalanches near Cooke and YNP

Date

Thu, 12/22/2022 - 14:25

While driving from Cooke through Yellowstone I saw a couple recent natural [slab](#) avalanches. One on Amphitheater peak appeared to involve recent storm snow. And there were many relatively large wind slabs in Yellowstone (4-5 that I saw).

Region

Cooke City

Location (from list)

Yellowstone Park NE

Observer Name

Alex Marienthal
