

Natural Avalanches on Henderson Bench

Henderson Bench

Cooke City

3/2/2024

Code

N

Aspect

E

Latitude

45.05580

Longitude

-109.94700

Notes

On 03/08/2024 we saw widespread avalanches along Henderson Bench as well, below the steep break over in the trees, 3'+ deep breaking across multiple terrain features through thick trees, most of the bench slid, and appeared to have happened last weekend.
