## Wet avalanches in Island Park

Date Fri, 04/05/2024 - 15:20 Activity Snowmobiling

From IG mesasge (4/6): "Some wet action at arange peak near Sawtell yesterday. From slope Dave and I did our first pit on Monday. Lots of release in that new old interface but didn't see anything releasing down deeper."

Region Island Park Location (from list) Arange Peak Observer Name Zach Bailey
