

Bridgers

Date

Tue, 03/11/2025 - 13:00

Activity

Skiing

Toured onto the west side into Jones Creek and then down Wolverine Bowl. Found lots of crusty snow, wind scoured snow, hard wind drifts, and even some warm, dry powder. No near surface facets which is a good thing for future stability.

Region

Bridger Range

Location (from list)

Wolverine Bowl

Observer Name

Staples
